

Engineers Retain Lead By Defeating 82nd Gunners

NEW CATCHERS DELIVERS PITCHING HIT FOR EIGHTH; 4805 BEST SUPPLY

Opportune Wallop to Right Field Cinches Contest in the Sixth Inning for the Builders; 4805 Nine Noses Out the Zone Team in Furiously Contested Battle Despite Excellent Pitching of Johnny Mulcahy.

BY RUD RUTHERFORD.

Eighty-second artillery barristers, successful in a majority of games played during the New Mexico invasion, hopped off a rattler just in time to receive their annual defeat at the hands of Maj. R. E. Neyland's Eighth engineers Sunday afternoon at Rio Grande park. It was the second time that the engineer team as a whole had defeated the 82nd in the first instance in which Maj. Neyland had scored the victory as he did not play in the former games. One run and one hit in the sixth inning after five and one-half rounds of scoreless ball proved sufficient for the Engineer team to retain the position at the top of the Army and City column, score 1-0.

Zone Drops One.
This game in which there was undoubtedly more genuine baseball than in any of the previous ones during the past two months followed the 4805 Supply battle which was won by the South side, seven to three. Hard luck again pursued the Zone team as it would have scored quite a number of additional runs in the last inning but for the fact that Mulcahy pitched splendidly but was unable to cover the whole field by himself and errors contributed to the loss of the pastime more than anything else. The work of Mulcahy was not exceptionally brilliant but he was steady in the pitcher and that was enough.

Johnny started off in fine condition his fast ball breaking over the corner of the plate and it was not until the fourth inning that things began to appear dark for the supply battalions. In this particular season these were three successive errors at second base and as the middle of the game was something of a vital angle in the four corners of the diamond, the attack of the Zone team was naturally centered there.

Four runs were compiled in this season and that proved enough to sew up the game. While the Zone tried hard later there were many complaints of base runners and several instances of base runners who were not notified.

Zone Gets One.
The Zone's first run came in the sixth when Dickins singled, stole second and came home on Mulcahy's hit. Mulcahy looked promising on the next out, when Leo Wren and Mulcahy obtained bases on a base on balls and error by Loy. Walworth failed but Dickins walked. McCormick went

out on an infield fly and Buford attempted a long fly to left center. Mulcahy and Wren scored, but Dickins was called out for failing to touch second base as he was dashing around the sack.

Too Much Neyland.
Maj. Neyland was the star of the second game and the fans anticipated Mulcahy's team to victory by shutting out the gunners, he delivered the winning hit, right field in the sixth inning. It seemed as natural for him to shut out the 82nd as it was for the Zone team to win. The fans were scarcely aroused, as they have witnessed the big officer in action before on the diamond. He has become accustomed to his exceptional playing and are not astonished at anything he may do.

He is the best all around player in the league, with possibly one or two exceptions, and as the pitcher of the Engineer team is worth more than any three individual players in the league.

Fairbanks Was Good.
Fairbanks, the sturdy 12nd battery, and Major Neyland were the opposing pitchers in the game. As it was the fans were treated to one of the prettiest pitching duels of the season and as it was one of the best of the year, it is an assured fact that the league is more popular than ever and the fans will turn out in larger numbers next week for the week and schedule. Each team threatened to score once or twice during the game, but in every instance the pitcher tightened and forced the batter to swing before any real harm was done.

Nixon Makes Run.
Nixon, the 1st and only run of the game when he obtained a base by being hit with a pitched ball. Mulcahy pitched to Nixon, Mulcahy's two base hit into right, having practically stolen second when the ball was hit.

Errors the Cause.
Errors were the cause of the Zone's victory. The 82nd team made several errors, including a dropped ball in the fourth inning and a base on balls in the sixth.

The Zone won the game 1-0. The final score was 1-0 in favor of the Zone team.

YOUNG TO MEET J. LOPEZ AGAIN

Cavalry Scrapper Will Give New Mexican Another Chance in Ring.

Deming, N. M., Aug. 22.—The 15 round bout between Kid Young, troop 2, 8th cavalry, and Jack Lopez, the fast Santa Rita scrapper, that is to be held in the Majestic theater here on Saturday, August 26, is the start of a movement to place Deming firmly on the pugilistic map, and to inaugurate a series of contests here that will draw the fans from all over the southern part of the state and from El Paso.

Plans Good Shows.
Manager W. W. Wilcox of the Majestic started out a few weeks ago with some local talent and is now making more ambitious plans for the good of the game. In the past he has staged up two of the best men in the southwest, and as Lopez was disappointed with the decision here was given the best time he could get to fight him.

Lopez is a clever boy who has suffered a lot of beatings in the past, but he is going to try and make Young a stepping stone to several other battles against some of the best boys around here.

Cavalry Boy Favorite.
Young's victory over Lopez at Fort Bayard, N. M., a few weeks ago has made him a favorite over the Santa Rita man and his supporters are certain that he can repeat when they meet him again.
